

TheatreWorks

SILICON VALLEY

DESIGN AND PRODUCTION PROFESSIONALS

Summary:

We hire scenic and costume designers for many of our shows. Although we have Equity stage managers and resident lighting and sound designers on staff, we have occasional opportunities for additional professionals in those areas. To supplement the efforts of our on-staff shop, craft, and production professionals, TheatreWorks often hires contractors, from carpenters and painters to property fabricators, costumers, electricians, and other theatre craftspeople. Shop and craft specialists construct and install all scenic elements, help maintain shop and rehearsal facilities, and assist in striking and recycling scenic materials.

Successful candidates will have experience in professional shop practices, woodworking, and steel fabrication, with proficiency in common theatrical construction techniques.

Scenic, costume, lighting, and sound designers, stage managers, and production, shop, and craft specialists are invited to send or email their résumés in pdf format to:

David Milligan, Production Manager TheatreWorks

P.O. Box 50458 Palo Alto, CA 94303

Dmilligan@theatreworks.org

Interested stagehands should send or email their résumés in pdf format to: Karen

Szpaller, Production Coordinator TheatreWorks

P.O. Box 50458 Palo Alto, CA 94303

karen@theatreworks.org

TheatreWorks Silicon Valley strives to be an inclusive work environment and embraces a diversity of people, ideas, talents, and experiences. We highly encourage people of color, individuals with disabilities, and other historically underrepresented groups to apply.
